Calpol Plea

The cold and flu season is in full swing, and we are administering a lot of Calpol in the medical room. We are very happy to help children with this, however, we would be very grateful for any donations of bottles of Paracetamol 6+ please.

Many Thanks

P.E. in Year 4

Children in Year 4 are currently learning how to play Flag Football in their PE lessons. Flag Football is a non-contact, 5-a-side, school friendly version of American football. The children are learning some of the vocabulary specific to the sport, such as offense and defence, quarterback and the snap. They are also learning how to throw the unusual shaped American football, learning how to throw to where the wide receiver will be and not where they currently are. The children are having a lot of fun, especially when they score a touchdown and can show off their celebration dance. The Year 4 Team

Have a lovely weekend, Alison Walsh
