Welcome

A message from the Head

We all know that the weather is getting hotter so please ensure that your child wears their P.E. kits if that is cooler. Please apply sun-cream at the start of the day and send them in with water bottles and sunhats. We will make as many reasonable adaptations as we can e.g. rotating use of those rooms with air con (it's not many) , reducing the amount of time the children spend outside at breaks and cancelling P.E. if it gets too hot. It is sports day on Friday and we hope to go ahead. We will be carefully watching the weather forecasts for the end of the week and will be in touch later in the week.

God Bless,
Alison Walsh

Year 6 Visit to 'The Life of Christ' at Wintershall

On Wednesday our Year 6 children visited Wintershall to watch a performance of 'The Life of Christ'. We spent a truly memorable day experiencing the key events of Jesus' life, brought vividly to life by a talented cast. This is a massive, immersive open-air play that takes place in some stunning scenery. It was a wonderful and enriching experience for everyone.

We would also like to say a huge thank you to those parents who came along and volunteered for the day it was much appreciated.

"The Nativity was one of my favourite scenes. The actors (including the baby!) were really skilled. I felt like I was really there over 2,000 years ago. The setting of Wintershall Estate was beautiful!"
Year 6 pupil

Year 3 have been learning about Judaism and the celebration of Passover. As part of their learning, the children took part in a Passover meal, following the traditional script and tasting the different foods on the Seder plate. They began the celebration with a song and enjoyed exploring the meaning behind each item. Everyone had great fun while gaining a deeper understanding of this important Jewish festival.

YEAR 3 R.E. LEARNING

The Good Shepherd Celebration at Worth Abbey

A group of children from Years 4, 5 and 6 represented our school at the Good Shepherd Celebration. The day was a wonderful opportunity to join with pupils from other Catholic schools in prayer, worship and celebration. We reflected on how we are anchored in hope through Jesus, finding strength in His love. The children were amazing representatives for St Augustine's. Thank you to Arabella who designed the anchor which we took as our symbolic offering.

Music Tuition

Mary's Meals

We have received this certificate from the charity confirming the amount of money that we have raised for them this year. I am sure that you are all aware of the incredible charity which ensures that children in the very poorest countries get fed a school meal each day.

It costs £19 to feed a child for a whole year. The Faith in Action Group have really added to our fundraising this year. We will hopefully feed 49 children over the next year which is great! Many thanks to all of you who have supported this charity this year. If you are looking for a very uplifting, humbling and heart-warming read then I recommend, 'The Shed That Fed 2 million Children' by Magnus MacFarlane-Barrow (the founder of the charity)

With Miss Hobday;-I have spaces for Piano Individual and Group lessons, Keyboard, Recorder and Ukulele during the school day next term. I'm running my Kindermusik classes focused on piano for Reception children as well as Theory Tuition out of school hours. Please contact me on 07770 375719 for details.

We are delighted to welcome Flynn Everard, a past pupil and whom many of you will know from OLQH to teach Drums in school starting from next week. Flynn trained at ACM and has many years experience as a touring musician. Flynn's contact details are 07500 221 457 or official.Flynn.everard@gmail.com.

We also have two other visiting teachers - Guitar - Stuart Wheaton (Stu.wheaton@me.com) and Flute - Barbara Sykes (Barbara.flute@hotmail.co.uk). Please contact them directly for details.

This is to certify that:

St Augustine's Catholic Primary School

Raised: £935.49

Date: June 2026

THANK YOU!

Your gift has helped to change the lives of children in some of the world's poorest communities.

Marie
