Newsletter No.10

Dear Parents and Carers,

I've seen some amazing projects coming into school the last couple of weeks. I can tell that the children have clearly spent a lot of time on these and deepened their learning. Pupils in Year 4 welcomed parents into school this week and presented their projects with them.

Upcoming Events

Monday 5 th January	Start of term

Year 4

Year 4 have been learning about the Stone, Bronze and Iron Ages in their history lessons, as part of the topic Scavengers and Settlers. As part of this topic, the children have researched a Stone Age river settlement and created a model or presentation of the settlement. On Thursday afternoon, Year 4 shared their projects with children from Year 3 before their parents arrived for an opportunity to see all of the projects together. We are delighted with the effort the children have made and the knowledge and the confidence with which they were able to speak about their chosen settlement. We would like to thank the parents and families for their continued support and we hope you enjoy seeing some photos of the afternoon. Mrs Moore & Mr Castell.

Year 1

Year 1 children set off on a local walk to the post office, using maps to guide their journey and spotting landmarks along the way. They learned about what an address is and why it's important. In English, they are also exploring how to write letters — so this trip brought their learning to life!

Have a lovely weekend

Alison Walsh
